

AtriCure Reports Preliminary Results for Fourth Quarter and Full Year 2022, Provides Financial Outlook for 2023

January 9, 2023

MASON, Ohio--(BUSINESS WIRE)--Jan. 9, 2023-- [AtriCure, Inc. \(Nasdaq: ATRC\)](#), a leading innovator in surgical treatments and therapies for atrial fibrillation (Afib), left atrial appendage (LAA) management and post-operative pain management, announced preliminary financial results for the fourth quarter and full year 2022 and provided 2023 financial guidance.

Preliminary, unaudited revenue for fourth quarter 2022 is expected to be approximately \$88.0 million, reflecting growth of approximately 20% over the fourth quarter of 2021 (21% on a constant currency basis). U.S. revenue is expected to be \$73.9 million, reflecting growth of 21% as demand across key product lines continues to increase. International revenue is expected to be approximately \$14.1 million, an increase of 18% as reported (25% on a constant currency basis).

Preliminary, unaudited revenue for full year 2022 is expected to be \$330.4 million, reflecting growth of approximately 20% over full year 2021 (22% on a constant currency basis). As previously communicated, adjusted EBITDA for the full year 2022 is estimated to be a loss of approximately \$4 million and adjusted loss per share for the full year 2022 is estimated at approximately \$1.10 to \$1.12. Adjusted EBITDA, adjusted loss per share and constant currency revenue growth are non-GAAP measures. AtriCure will provide a reconciliation of non-GAAP measures to the related GAAP measure in the release of audited 2022 results.

“Our fourth quarter results add to an outstanding year of global patient impact, as our broad portfolio of solutions for the treatment of Afib and post-operative pain management drove accelerated growth,” said Michael Carrel, President and Chief Executive Officer of AtriCure. “We have substantial growth opportunities ahead and remain committed to advancing standards of care for millions of patients in our addressable markets.”

2023 Financial Guidance

Management projects 2023 revenue of approximately \$380 million to \$387 million, reflecting growth of approximately 15% to 17% over full year 2022. Adjusted EBITDA is estimated to break even for the full year 2023, with improvements annually thereafter.
