CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

I. PURPOSES

The scope of the responsibilities of the Audit Committee (the “Committee”) and how it carries out those responsibilities, including structure, process and membership requirements shall be set forth in this Charter, which has been adopted and approved by the Board and may be amended by the Board at any time. In carrying out its responsibilities, the Committee believes its policies and procedures should adhere to this Charter and remain flexible, in order to best react to changing conditions and to ensure to the Board and shareholders that the financial reporting practices of the Company are in accordance with all applicable requirements. The following responsibilities are set forth as a guide for fulfilling the Committee’s purpose, with the understanding that the Committee’s activities may diverge, as appropriate, given the circumstances.

The Committee shall assist the Board in fulfilling its responsibility to oversee management regarding:

- (i) the conduct and integrity of the Company’s financial reporting to any governmental or regulatory body, the public or other users thereof;
- (ii) the Company’s systems of internal accounting and financial and disclosure controls, including the engagement of consulting services for internal audit;
- (iii) the qualifications, engagement, compensation, independence and performance of the Company’s independent auditors, their conduct of the annual audit, and their engagement for any other services;
- (iv) the Company’s legal and regulatory compliance matters that may have a material impact on the Company’s financial statements and conflicts of interest of directors and executive officers; and
- (v) the preparation of the annual Audit Committee Report required by Securities and Exchange Commission (the “SEC”) rules to be included in the Company’s annual proxy statement.

In discharging its role, the Committee is empowered to inquire into any matter it considers appropriate to carry out its responsibilities, with access to all books, records, facilities and personnel of the Company. The Committee has the power to retain outside counsel, independent auditors or other advisors to assist it in carrying out its activities. The Company shall provide adequate resources to support the Committee’s activities, including compensation of the Committee’s counsel, independent auditors and other advisors. The Committee shall have the sole authority to retain, compensate, direct, oversee and terminate counsel, independent

auditors, and other advisors hired to assist the Committee, who shall be accountable ultimately to the Committee.

II. ORGANIZATION

The Committee shall consist of three (3) or more members of the Board, each of whom the Board has selected and determined to be “independent” in accordance with applicable rules of the U.S. Securities and Exchange Commission (“SEC”) and the Nasdaq Stock Market, Inc. (“Nasdaq”) and any director independence standards adopted by the Company. No member of the Committee shall have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three (3) years. Each member of the Committee must be able to read and understand financial statements and otherwise meet the financial literacy requirements of Nasdaq, at least one member shall have the requisite financial sophistication required by Nasdaq and, unless otherwise determined by the Board, at least one member shall be an “audit committee financial expert” as such term is defined under applicable SEC rules. A person who satisfies the definition of “audit committee financial expert” will also be presumed to have financial sophistication and shall also be deemed to meet the financial literacy requirements of Nasdaq. No member of the Committee may serve on the audit committee of more than three (3) public companies, including the Company, unless the Board of Directors has determined that such simultaneous service would not impair the ability of an existing or prospective Committee member to serve effectively on the Committee.

Committee members shall continue to be members until their successors are elected and qualified or until their earlier resignation or removal. Any member may be removed by the Board, with or without cause, at any time. The Chair of the Committee shall be appointed from among the Committee members by, and serve at the pleasure of, the Board to convene and chair meetings of the Committee, set agendas for meetings, and determine the Committee’s information needs. In the absence of the Chair at a duly convened meeting, the Committee shall select a temporary substitute from among its members.

III. MEETINGS

The Committee shall meet on a regularly-scheduled basis at least four (4) times per year or more frequently as circumstances dictate. The Committee shall meet periodically with management, the internal auditor (if any) and the independent auditor in separate executive sessions to provide the opportunity for full and frank discussion without members of senior management present.

The Committee shall establish its own schedule and rules of procedure. Meetings of the Committee may be held in person, telephonically, by videoconference or by similar means of remote communication. A majority of the members of the Committee shall constitute a quorum sufficient for the taking of any action by the Committee.

IV. DUTIES

The Committee’s role is one of oversight. The Company’s management is responsible for preparing the Company’s financial statements and the independent auditors are responsible for auditing those financial statements. The Committee recognizes that Company management and
